

Memorial Book

In Loving Memory of

Dennis Michael Maddolo

(October 11, 1979 - January 20, 2006)

Life is pleasant. Death is peaceful. It's the transition that's troublesome.

Isaac Asimov

This memorial site is created in memory of my only son DENNIS MICHAEL MADDOLO, who was born in Phila, PA on Oct 11, 1979, & passed away on Jan 20, 2006. Dennis suffered from the disease of DRUG ADDICTION. After a relapse, it took his life @ the early age of 26 years old. Dennis was a son, father, brother, uncle, friend, & will be missed by many. He will forever live on in our hearts & memories. Fly high with the angels, Den. You have finally found PEACE. I M U & U R M E.

The image features a textured, light brown background with two roses. One rose is smaller and positioned higher and to the left, while the other is larger and more open, positioned lower and to the right. The word "Gallery" is written in a white, elegant cursive font, centered between the two roses.

Viewing

The image features two roses, one smaller and one larger, positioned in the upper right quadrant. They are rendered in a light, almost ethereal tone against a textured, olive-green background. The roses appear to be made of a delicate material, possibly paper or fabric, with soft shadows and highlights that give them a three-dimensional feel. The overall aesthetic is classic and elegant, suitable for a memorial service.

Andrew's Other Mother

Hello Edith,

Your tribute to Dennis is breathtaking. Thank you for visiting my son's site. (Andrew Collins) As I visit other sites, it simply amazes me that so many handsome young men are now our Angels in Heaven. The void in our hearts is only something that a surviving Mother could possibly truly understand. It has been 20 months since Andrew took God's hand and went home. Not one day in 20 months have I not thought about him or heard a song that reminded me of him, or simply sat staring @ his headstone trying to imagine how this could have happened. Do take care of yourself and feel free to email me at debi.lynne@hotmail.com.

May God Bless you!

Dearest Edith,

Know my heart is always with you as we travel this road together. Thank you for being a big part of my life now. We will be with our Angels again one day. I love Angel Dennis as I do all my Angels. My prayers are with you.

The background is a textured, mottled olive-green or taupe color. In the upper center, there are two roses. The one on the left is smaller and more tightly curled, while the one on the right is larger and more open, showing its petals. The roses are rendered in a light, almost white color, making them stand out against the darker background.

Guess what?/ they did look funny that short. But Jeez, his coloring, his haircut, height, built.. I kept asking Tony, did u see that guy?/ who's he look like? I think I'm freakin out.. i know it's just the idea of schoo I starting soon & going thru the same shit w/a sitter or lack of 1... Stick around & help me

Its a day to celebrate when my little man was given to me.. after all that planning, to have my little boy. a dream come true.. I could never be sad on your birthday. I feel bad that u won't be here for Tone's BDay on Thursday.. Maybe thats why I'm feeling creeped out.. u should be here planning what's to be done. where he should go, what to do. U know I hate this shit!! What's up w/those maddolo's?? Ur gram lived in that house over 50 years & isn't gone a month, Ur father & brother are over there today cleaning it out.. I'd be there sleeping every nite. I still haven't moved ur sneex from where I placed them that day. Your watch is still sitting on your TV... Damn, I still pay for cable in a room no one sleeps in. Ok.. ur far enough away, Which 1 of us is weird??.. ok,, go find Aunt Carol, her B-Day is this week also.. Go make her gravy.. She loves it.. MOMMy

Hey U,what's up?? I have 2 go get Tony's report card @ 1:30..Please help me not to wring the lady's neck. He told me the other nite,he'll never have a fiancée if he can't find a good career.Where does he come up w/this stuff?? R R whispering in his ear again? I told him,I just want him to get out of kindergarten..I don't think theres a thing he could do now that would cvhange their minds.We fought so hard to get him into this school & look @ all the problems.I could have sent him to Allen for this.Well,I have

to get ready..After the report card ,I have to drop him off @ ur Pop's..Lucky me..I'm gonna see all my favorite people & THEN I get to work 4hrs on the Phones tonite..Stick around ..This could get interesting..

Oh,by the way.what have u guys been up to?/ It hasn't been sunny in I don't know how long..Do u think u guys could do something nice & get the Boss to smile on us & get some sunshine rollin again?? I hate this freakin computer..Ur Pop promised Tony 1 for Xmas..He just didn't say what year..He ain't changed much..Ok..Later,,I M U & U R ME..

MOMMy

Ok,,so no one believes Tone's tooth just came out..1 little headlock & u never live it down.LOL He was so cute Den,he didn't even know it had come out..Thank God,Can u imagine the drama??I have to send the picture thru,then I'll post it for u..Easter is next week..Nothing special.. We're both off most of the week..probably do a few cool things w/him.Pop is in Florida this week..On business! Yeah right..So ,what's new & exciting?? SOS here,Just another day in Paradise.. Well,kiddo,I'm outta here..Be good..I love & miss u so much..I M U & U R ME

MOMMy

Hey U,rise & shine.Ur son's had me up for the past few days @ all crazy hours.What's up.? M I nuts for coming here talking to u?..I'm sorry,but as much as I miss u,,I can't grieve ur passing..Ur life was just so good.With the exception of a couple of yrs thrown in to show u what bad is..U had it made..Ur life brought so much pleasure & joy to everyone around u..I could sit around & wonder Y,,I could stare @ photos & cry all day,,but U were so much more then that..Yes ,ur no longer here,& i'd give anything to just be able to hug u,but ,the time that u were here was just so nice..I have such good memories ..I live w/them now..The good & bad ones..I try to ease Tone's pain by telling him that he's so special..He has his own Angel.He has so many people who love him..He's so cute to just watch..What an imagination..At night he wraps himself in the afghan w/ur pix on it,,or else he folds it & puts it on the pillow w/him.I figure if I keep telling myself that God only takes the best &

*He had bigger plans for u..I may start to believe it..My son is special..He's w/God.
It's Monday,A new week..I'm gonna stay positive.Even as I sit here crying..Tears of joy,just for having
brought u into this world & having the chance to know u...I love & miss u more then u could ever
imagine.Stay w/us,,& help keep me strong..I M U & U R ME.*

MOMMy

Yo,,,What's up,?,I had a discussion w/my mom's grp abt feeling good or happy..I shared my motto,"Expect the worse,U'll never be disappointed."..Why have I always been a negative person..It's like I've never really been able to enjoy anything 100%..Everything is like a tease..Lately even the weather is teasing me..Last 2 days in the high 60's, then POW!! woke up this morning to SNOW..Gram wasn't like that..I know it was those Nun's back in Catholic school..Always telling us we weren't worthy ,didn't deserve anything..That's why theres so many screwed up adults now..They should of had counselors in school back then.No wonder Nun's r a thing of the past..I hope they never make a comeback..Ok,,It's Friday,I'm going thru something,so I'm gonna get dressed & take Tone to get his haircut.. Hollar @ u later..I love u kiddo..I M U & U R ME

MOMMy

Den,Boy,what I'd do for a hug right abt now..I'm off 2day & just have this feeling it's not gonna be a good 1..Stay w/me PLEASE..I love & miss u so much..I M U & U R ME

Mommy

Yo Den,I'm so sick..I feel like my eyes are floatin,have a bangin headache,can't hear,breathe or talk..It should be a good nite @ work..U know my motto.."Use ur sick days when u have something to do"..LOL..That freakin bldg needs to be torn down.No open windows ,,we all just keep breathin in each others germs.I really can't complain,I haven't had a cold all winter..Someone's idea of acruel joke

for me to get 1 just as the weather is breaking. Anyway, I'm still on nite work, so maybe 2moro when I drop Tone @ school, I'll drive down & sit w/u for a few.. I may even buy u a Propel.. Maybe, I don't want to spoil you.. U always thought I was hidin them from u. I still leave all the waters in the grocery bags. Ok,, He's torturing me for a Nerd rope.. I have to get ready for work.. I love & miss u.. I M U & U R ME

MOMMy

Hey U, what's up? or as Bob would say, What's shakin? Do u ever run into him? I hope u have ur family members close to u. So, the blanket came in & we ALL love it.. Anthony & I fight over it @ night.. I have to get u a clearer picture.. Den, I don't know what's going on w/Tone in school.. He actually hit someone in school 2day.. I'm getting him tested again soon.. I don't know what more I can do. I wish I could just stay home w/him.. Well anyway,, haven't talked to u in a few days.. the snow is gone & warm weather is here. HOORAY !! but u never know.. It can snow again in a minute.. U know ,, El Nino,, Global warming ,, whatever.. U used to keep up on everything & then tell me.. Now I don't know a damn thing . Pop told me Junior got sucker punched @ the bar & no one helped .. I doubt u would still be there, but I'm glad ur not.. That neighborhood has gotten really bad, but U can't tell Senior anything. Y try.. So enough abt them.. U know I love & miss u.. that will never change.. Come see us.. I M U & U R ME.

MOMMy

Hey U, It's freakin snowing !!! I hate this.. It's almost April. When will I catch a break. Anthony was outside helping me shovel, & he just started cleaning Floss's steps & walk. I smiled but it mad me sad to see, cause I 'll always remember u doing both of our walks, patios & steps. She has to be 90 y/o now & still here. And still has 1 of my boys doing her steps. I refuse to take another pie from her.. LOL.. I hope the sun is shining on ALL of u Angels. It would really suck if u still had to deal w/the elements. I bought everything to make a big pot of soup. I don't know who I'm feeding.. At the rate I'm going , it will all go in the trash next week.. I waste more \$\$ on groceries .well, now ur Pop is bugging me abt Anthony & how he's getting bounced around when I work nites.. Everybody thinks it's so easy. Ur

sister made a remark abt it yesterday, Yes, she called out of the clear blue sky, but she didn't offer to help out. I'll do what I can as long as I can. I don't have many options.. Well, thanks for listening.. I miss u so much. I wish u could still be here w/us. I love u BEAN.. I M U & U R ME.

Lucille

Edith, What a beautiful tribute to your Dennis. Dennis you soar with the angels and always be by your mother's side.

Hugs Lucille

MOMMy

Hey Bean, Just needed to stop in & see ur pretty face. Thank u for sending me to help Z & Sam. That could have been bad for them.. They seem like a nice couple. No wonder u liked them. I'm trying to tell the baby abt Ninja Turtles. Who'd of thought I'd be doing this again.. He has 1,000 Questions, & no is not an answer he'll except. Ok.. I told u just dropped in.. I'm outta here.. I love & miss u so much.. Be good Stay close.. I M U & U R ME.

MOMMy

Hi Den, I came out 2 c u this morning.. I hope it wasn't my imagination, but a loving sign from u.. I cleaned up everything.. God, that stone just makes it so real.. Can u even imagine how much we all miss u.. U, who was always so careful.. U hid everything so well.. What happened that nite.?. what went wrong?? Last nite Anthony was looking in a magazine for another Daddy, because his daddy left him.. What can I tell him.. Having never even smoked a cigarette, I don't know how addiction works.. U were clean & doing so well.. Had everything working out.. did u think u could just do this

recreationally,that it wouldn't consume ur life again.??1 time was all it took..So many lives were destroyed by ur actions.. I thought u were smarter then that..The love of ur family wasn't enough.Y couldn't u c that..?So many things u'll never do, because friends who u should have left behind long ago,who didn't know u unless they could use u..What did u have to prove to them.?U were so much better then them..Y couldn't u c that?? I'll never know ..U'll always be my baby ..I love & miss u so much..I just wish u were here for me to tell u ,like I used to..Later Mom,Love U..Remember that?? every time u left the house.I'll never hear that again from u.I say it every nite before I fall asleep..U turned out to be a selfish bastard & only thought of urself..What abt ur son,ur fiancee,So many people needed u in their life.Y m I so mad today,,Y? I just have so much going on & don't need 1 other thing.I feel like every day it's something else..I'm sorry..U know I love & miss u..Just a bad day..

Yo! Just needed to say Hi..I go back to work this afternoon..I put so many pix on ur other site,it takes me forever to get thru them..I may have overdone it..Ya Think ?? U know me w/my camera & pix..& I haven't even come across the Disney ,Buesh Garden or my Italy pix yet..Anthony keeps buggin to see the pix of the Volcano,that's what got me looking for them.He can be such a little scootch.Boy can he play people like a fiddle..U'd be proud,,He has that Maddolo gift of gab already.This red ain't 1/2 bad..I can actually see it..So ,Let me start to get ready/.Talk to u 2moro..LOve & miss u..I M U & U R ME..

MOMMy

Hey U,God,I really miss u today..I really need a good push or a foot up the butt to get myself together..My God,my life is a shambles.All I do is work & sleep..If I didn't have to work,I'd sleep all day.I just have no motivation to do anything..I went thru every picture of u I have in my room..I'm gonna add some to this & ur other website.So many of u as a Baby,that fat little kid u were..So mney down the shore..I often wonder if Bob was still alive,would u have gotten into drugs .U 2 had a special bond.It's good to see u in these pix,cause my only vison of u is still the 1 in the E.R.even after 13 months.I see u lying there looking so peaceful like u were asleep..Den,please make my heart stop hurting..How can I still be alive w/this huge hole in my chest? It's an actual honest to God feeling..Just an emptiness..The lump in my throat hasn't gotten any smaller..Y r some days easier then others?Fridays r always bad..Today is no exception..Please stay w/me..I love & miss u so much..I M U & U R ME..

Mommy

Hey Den,Colts::29-17..Can u believe it ? I didn't even watch..If it ain't the Birds,who cares.I can't believe u've already missed 2 superbowls.That's the only reason u wouldn't be watching..with any luck ,there's a bis screen plasma wherever u are. I hope u all don't party to hard..Tomorrow is Nicholas & Emile's heaven dates.Please make sure they visit w/their families.U know how hard it was for me only 2 wks ago..It's not that much easier now..At least I can write to u when ever I want..It's not the same as sitting on ur bed bs'g w/u,but I'll settle for anything right abt now.I'm glad that u have so many Angels w/u,but that means so much grief back here..If any of u could imagine what would be going on w/ur family members,would things have been different? Another ?? w/o an answer..I can't question God's big plan now,but boy if I ever get up there ,I have alot to say to him..Do u know whats going on.?.Can u tell how much Anthony misses u,? How much I need u here ?All that ur Pop is going thru this past year?I hope that @ least ur somewhere safe & know that we all love u,& not wandering around w/o a clue..The only thing that keeps me going is the thought of u in Heaven w/God & ur family members who went before u..No pain,anguish,problems of any kind.Always feeling love & peace..If its any different,I don't want to know..It's the only thing that keeps me sane. It may be the beliefs of a 6 y/o Catholic school girl, w/the Nuns telling us more of their lies,but it's all I have to hold onto now..I can't even think that ur all a bunch of souls .I have to think that ur whole bodied ,dressed, just another day in Paradise.Boy,I know I'm in for a shock,but hopefully we'll all be together wherever it is..Stay w/me & give me strength..help me to go on & do what I have to for Anthony..He's all that matters now.I'm gonna try to get some sleep.,,Sure,talk to u in a few hrs...I love & miss u so much..I M U & U R ME.

MOMMy

Hey U,Well,it's Super Bowl wkend.Who would've thought ,DA BEARS & COLTS ?? What happened to ur Birds? U know they woulda if they coulda..remember when Uncle Bill always had the Super Bowl parties? We all had such good times back then.U would've had to work anyway.At least Dallas isn't in the Bowl.I got Anthony's report card yesterday..It wasn't good..Den,please help me to do what I

have to w/him..they want to leave him back.I really don't want that ,but he refuses to listen or study.I'm goint to see the teacher this wk..God,I need to do some` thing,between work,this house,trying to do what I have to w/Anthony..It's not easy.What I need to do is stop feeling sorry for myself..Oh well,sorry to drag on & on..I really miss u Bean...I M U & U R ME

Mommy

Hey U,Been thinking abt u..Trying to keep it real.U know w/the exception of last 1/2 of 2003 & 1st 1/2 of 2004.we didn't have bad times..God only knows what u were really going thru..U hid it so well.How I wish u would have asked for help sooner.Well the answers are not for me to know just yet.I've kinda accepted that ur gone,but the lump in my throat & this emptiness in my chest just won't leave.I tried to explain it to Aunt Mar last nite..It's just so hard to tell anyone,especially when they answer u wit "I know,I know". No u don't , shut the hell up...If everybody understands ,then tell me why I still wake up EVERY SINGLE nite between 3:15 / 3:45..It's like I'm waiting for u to come in..Lately I just look @ clock & say,"ur early or late ",& go back to sleep..I just do it from habit now..U haven't come to call me lately..I'd really like that,Anthony would too..We love & miss u Baby Boy..I M U & U R ME....

MOMMy

Hi Den,u know I don't get weekends off that often,but I'm off today.Usually a Sunday off would mean gravy.Let me tell u something..I havent made gravy since u passed ..I've had to settle for everyone elses.I can't even get the strength to get out of this room today.If u were here ,I'd have the gravy on,,frying bacon,& waiting for u to come running down the stairs in ur sweats & t-shirt,w/ur goofy glasses.looking for something to eat..always dipping the bread in the gravy,asking for a meatball.U would tell me what happened @ work last night & if football was on ,u'd complain

abt going to work..I loved thoses mornings ,cause it was just us bs'g abt everything & nothing..It's a good thing Anthony isn't into gravy..His passion is breakfast sausage..So on that note I'm gonna gop get his breakfast together..Stay w/us today..We love & miss u..I M U & U R ME

MOMMy

Hey Den,Just thinking abt u & missing u.I wish u could be here for all of this,but it's not to be.I'll get thru it as usual.I know u have probably found a peaceful quiet niche for urself after a year.I will think of u always,but i will visit u here daily..I promise not to bother u as much.Just come here & look @ u.I won't bother u w/all my stories & request..Whatever the Good Lord has planned for us ,He planned it w/u there & me here.I'm gonna stick around & see how this pans out.Stay w/ur son,even if I don't come & ask u every day..today is Roman's 6th birthday.These boys shouldn't be caught up in all this drama.Keep them safe,healthy & HAPPY..that's all they need in their young lives.I love & miss u My Angel..Talk w/u soon..I M U && U R ME

Mommy

Good morning Den,Thanks for making yesterday more bearable then Friday.Friday was the worse.No wonder u don't come to me.I'm truly sorry..So,today is ur sisters birthday.I haven't seen her in a few wks & don't expect to see her today.She's becoming to conditional for me.I have enough on my plate.So,I hope u have settled in to a peaceful place now after 1 yr..I do know somewhere in the back of my mind,ur not coming back,but that doesn't stop me from loving & missing u.I just keep thinking abt u as a fat little kid.I wish I knew when it turned down..Hopefully not for a few years til u were in ur late teens.How I wish u could have beat this,or I could have made it

betyter,,That's what Mom's do.. ,but it's not to be..I explained to Anthony how special he is to have 2 Guardian Angels..Everyone is given 1 the day they're born,but He also has U.Please watch over him..& keep him safe.Round up the gang & tell them I love & miss them also..U seem to have a better group w/u then what I'm left with..Well,watch over us ,come visit me when u get the chance.& know that I love you always..I M U & U R ME..

MOMMy

Good Morning Angel.today u should have a terrible headache from all the people who will be talking to u & abt u.How can 1 yr have passed already.Do u know any of what's going on?Can u hear us? Do u miss us ?I told my support grp last night ,that I envision u as being in a beautiful garden,w/no illness,problems.Just happy to be where u are ,& happy to be w/the people & hopefully family that surround u always.U will always remain as my 26 y/o son,who was as good as u led me to believe u were.Yesterday was a horrible day.All did was wonder what u were going thru 1 yr ago..It's like I was re-enacting the whole day of Jan 20,2006.U passed on a Friday morning,so Fridays are always bad..Today seems like the day after..I'm coming out to see u as soon as I get myself together..I have to stop & see ur Grandmother.Den,she's gone thru so much & loves Anthony so much..I really enjoy my visits to her.

Am I driving u crazy w/the font colors? I'm trying to find something I can see.I should just make it bigger.I was planning to go plaster a lg sign on ur friends front door w/a flower arrangement,just to let the neighbors know what they have in their block.What will that get me..U still won't be w/us ..I know u surround us always,especially Tone. I'm gonna leave u w/the advise I always gave u as a kid..**NO one is BETTER then YOU! & YOU'RE as GOOD as EVERYONE else!!**.Keep trying..You'll get ur wings soon! I love & miss u..Till I can hold u again..**i M U & U R ME..love u,MOMMy**

MOMMy

Hi Baby Boy,I came out to see u..Ur headstone was just put up.I was shocked to see it there ,but u look so beautiful in the pix..As always..I will bring Anthony out on Saturday.Steph put ur pix in Review.I wish I knew whats going on w/her..I don't have the energy to figure her out.I was thinking abt last year ,this same wk,,when I asked u abt the \$\$ that Tuesday morning.I thought u were

moving out..U laughed & told me I couldn't get rid of u that easily..72 hrs later u were gone forever..What a year it's been..Ur grandmother is really upset this wk,w/Aunt Sally,Danny,then she saw all ur pix in Review,,she was just crying on the phn to me..She really is a good person Den. It just started to snow..U know how much I'm hating this right ??It better not stick..10 more wks of this cold,,I can do it !!I should go online & see if they need police dispatchers in Florida.Anywhere as far north as So Carolina is my kinda weather.remember the yr it snowed 38"..u took my shovel & went around doing sidewalks,but never did mine.How u used to do Floss' & she paid u in pies? I'm gonna call Ande & bring him out to see u.I remember how u 2 were always in the basement hiding out from the girls..Now he's married to Jen & had 2 boys.Who knew..This is soup weather,but I don't have anyone to cook for..I took a few days off work.Hopefully I'll be ok this wkend..Ur sister doesn't make my life easy..Yes Den,if u were here U'd be the GOOD KID this wk..LOL.I was just telling ur Pop how we had become more like friends the last yr while u were living here.We were always close,& had out moments,but EVERYONE knew u were my BABY..we could fight,not talk & be fine in a day or 2,but that last yr ,,we were so close..Like God was giving me another chance..We used to cook,eat,gossip together.I haven't made a pot of gravy in this house since u left..Sorry to say but Anthony is content w/a can of spaghetti-o's.Where'd he come from??oh yeah,his Mom..On that note I'm gonna leave u for a while..I love u Bean..watch over us..I M U & U R ME..

MOMMy

Everyday I think of something else.I remember down the shore when u got ur foot caught in the rocks..We lost the shoe,but saved the foot.Remember how we would go down during the winter & play ball on the beach.U hated the beach & I made u go every day..U loved the rides though.U & Bob,what a team,Disney world,Beush Gardens,U loved it all when u were younger..Then u outgrew the vacations.Do u remember on Franklin st when u stepped on the smoke bomb w/ur slippers on? & when Anthony Porter & Mongo Joe threw the match down the sewer w/the oil in it..U kids were bad! They were such innocent times..I remember u crying when we moved to the N.E. Would things have been different if I stayed in So Philly? Probably not.I was thinking abt when u used to spend the day w/me @ work @ Kiddie City..U would roam all thru the warehouse.Now I bring Anthony w/me to the Round House & he

rooms all thru the 2nd fl..He's getting so big Den.U have so much to be proud of in him..Well u,I'm gonna go but him a playstation..Just because!! Love & miss u..I M U & U R ME..

Mommy

As I go into this week leading to my son Dennis' 1st heaven date,I have so many thoughts & ??..I have so many memories that I'm not willing to share yet,but the 1 thing I want known is how happy I am to have given my son life,to watch him grow,to have been there thru it ALL w/him.Nothing can ever bring him back to me as a person,but in my mind he will always be my beautiful 26 y/o son,who beat his demon down if only for 1 yr.His 1 lapse cost him everything,but the struggle is over & he is FREE.I love u Bean.Watch over us & keep us safe.Fly high & proud..i I M U & U R ME..love ya,mean it.. :)

MOMMy

Ok,where do I start? I have so many memories of my son Dennis.Some good,some not so good.I can say that he was the light of my life.My Baby Boy.Everyone knew it.Dennis was the Crowned Prince.My daughter Stephanie used to say that Christ had risen & was alive & well,living in N.E.Philly on Mershon St.Dennis was a very sensitive & caring person.No matter what,He loved his family & knew he was loved.He was 1 of the most intelligent people I've ever known.So well read,able to relate to everyone & anyone,abt anything..He meant so much to so many people & effected the lives of everyone he met.He had a smile that lit up the room..even on bad days ,his piercing eyes were the 1st thing u saw on him..He had so much to offer & could have contributed so much to this great land that he was so proud of..His Italian heritage meant alot to him,but,he was a loyal American first & foremost.From the age of 10 he wanted to join the Marines,& when he graduated High School,I wouldn't sign for him..Did I do the right thing? Who knows..Dennis had a Demon that overtook his life as a young man.He fought a good fight,but it was not to be.The Good Lord had better plans for him. I miss my son & would give anything for him to still be here w/his family..I need people to understand that regardless of how Dennis passed,he was 1st a loyal & loving son,father,brother,lover..He was & continues to be loved & missed by many..until we meet again,,I M U & U R ME..Love Mommy
